Storing Registered Data's:

2. Functional Requirements: login Process.

User story: USN-2

Solution:

A registration form with a blue background and light blue bokeh. At the top center is a black trash can icon. Below it, the text "UserName :" is followed by a white text input field. Below that, the text "Password :" is followed by a white password input field. In the center, there is a blue oval button with the text "New User Registration" in white. At the bottom, there is a blue rectangular button with the text "Submit" in white.
